- ✔ GREAT GEAR
- ✔ GREAT SERVICE
- ✔ GREAT PRICE

Hello all...

Changes are always exciting and this one is no exception!

We are thrilled to announce that the hire division of North Canterbury Equipment has ceased, and a totally new separate entity has been formed called NC Hire Ltd. We felt as a result of doing this, we could focus more keenly on the needs of our customers' and specialize in providing equipment for the Contractors, Tradesmen, Farmers and Lifestylers.

As you are no doubt aware, earthquake recovery is now in full swing and new developments are springing up everywhere. Because of the extra demand, our hire fleet has more than doubled in the last 6 months and we felt that the timing was right to take it to the next level and pursue this new venture. We have just completed renovating the old North Canterbury Equipment building which provided us with an opportunity to 'kick it all off' with a whole new fresh look as well!

Please feel free to drop in, check out the new store and collect a chocolate or two – we would love to see you!

Jay Hickmott

Jay Hickmott, Hire Manager

NC HIRE MISSION STATEMENT

'To make life easier for our customers by providing solutions, beneficial products and unparalleled service with a passionate team, committed to cultivating lifelong relationships.'

NC HIRE VISION STATEMENT

Our vision is to provide opportunity for new people to start or large companies to expand with minimal investment.

Older machinery will become redundant and top quality, reliable, well maintained machinery will become the expectation of our customers to improve their safety, efficiency and satisfaction. In order to succeed, we will invest in our staff and provide an environment that stimulates innovation, teamwork and recognizes performance.

We will make it our job to provide a level of service unable to match at a price level unable to resist!

All prices in this mailer exclude GST
